SUMMER 2021

Welcome to your updated newsletter! The new name and layout reflect our name change, but it's still the place for product offerings, financial education and events. Happy reading!

This Summer, You'll Be Feelin' Fine Paying 1.99% Vehicle Loans as Low as 1.99% APR*

Summer is here, and things are opening back up, which means two things: more road trips and more money needed to pay for those road trips! So, whether that means a new vehicle or just a better payment on your current vehicle, Civic Central Credit Union can help.

Enjoy rates as low as 1.99% to 2.99% APR
when you finance your vehicle with us, or
bring us your auto loan from another lender!*

Even though this offer is only good for a limited time, each auto loan features:

- Up to 100% financing
- Preapproval for better negotiating at the dealer
- Low-cost payment protection

Summer's here, the weather is fine and so is this offer!
Contact us today to apply.
